FOREWORD

"Forty years on, when afar and asunder
   Parted are those who are singing today,
When you look back, and forgetfully wonder
   What you were like in your work and your play;
Then, it may be, there will often come o'er you
   Glimpses of notes like the catch of a song -
Visions of childhood shall float them before you,
   Echoes of dreamland shall bear them along."

BOWEN

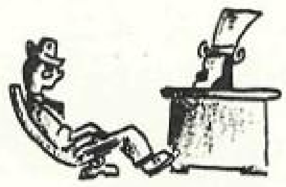

DEDICATION

To Mrs. Lillian Spruce in sincere admiration for her friendly dignity and manner, and her beautiful simplicity of character; for her embodiment of those qualities which we hold most dear, we, the students of Hillcrest High School, affectionately dedicate this, the 1947 "Panther".

ADMINISTRATION

A MESSAGE

S. STANLEY KNAPP
Principal

It would be platitudinous to say that you are now embarking upon the sea of life. You have already been sailing that sea for the past fifteen or sixteen years and are beginning to realize the importance of your place in this world.

However, as you leave this part of your voyage and take up quarters on a new ship and enter upon further journeys, it is the sincere wish of your principal that you have a happy voyage. The obstacles in your path are many and they vary considerably from those that have faced past generations. Yet, the problem of life itself remains, as always, a challenge.

I have confidence in you and your ability to meet this challenge. My best wishes go with you wherever you go.
